3:30 Break

4:00 Panel: Engagement, Trust, and Intimacy

Organizers: Mari Velonaki, David Rye and Steve Scheding
Panelists: Lola Cañamero, Karl F. MacDorman, Nishio Shuichi

6-7pm Reception

AAAI Spring Symposium on Emotion, Personality and Social Behavior

Thursday

27-Mar

9:00 Cognitive / Affective Modeling

Saman Zadeh	Artificial Emotions for Artificial Systems
Megan Olsen	Emotions for Strategic Real-Time Systems
Eva Hudlicka	What Are We Modeling When We Model Emotion?

10:30 Break

11:00 Architecture

Ian Horswill	Attachment and Cognitive Architecture
Giovanni Vincenti	Hybrid Emotionally Aware Mediated Agent Architecture for Human-Assistive Technologies
Stephen J. Read	The Personality-Enabled Architecture for Cognition (PAC)

12:30 Lunch

2:00 Architecture (cont.); Communities

Joanna Bryson	The Impact of Durative State on Action Selection
Alberto Pepe	Between conjecture and memento: shaping a collective emotional perception of the future
Goreti Marreiros	ABS4GD: A Multi-agent System that Simulates Group Decision Processes Considering Emotional and Argumentative Aspects

3:30 Break

4:00 Panel: Artificial Agents for Psychotherapy

Organizers: Eva Hudlicka, Christine Lisetti
Panelists: Diane Hodge, Ana Paiva, Skip Rizzo, Eric Wagner
Break

5:45 Plenary Session

**AAAI Spring Symposium on
Emotion, Personality and Social Behavior**

Friday

28-Mar

9:00 Storytelling

Rossana Damiano Emotions in Drama Characters and Virtual Agents
Rosamaria Barone Panormo: An Emo-Dramatic Tour Guide
Rosamaria Barone An Emotional Storyteller Robot

10:30 Break

11:00 TBA - Discussion and / or Working Groups + Discussion

12:30 Symposium ends
